## WHY CHOOSE KENT'S?

Kent's Sports Store & Pawn has the experience to sell firearms. We utilize several methods to sell, not only do we sell in store, but we use online resources such as Gun Broker, Gun Auction, Utah Gun Exchange, and Utah Gun Hub. Owner/Manager Hiram Barker has netted police departments hundreds of thousands of dollars.

Utah Code 77-11a-403 allows sheriff and police departments to sell seized items. Firearms with serial numbers that have been removed or altered, firearms used in notorious crimes, and firearms in which the condition render it unfit to be sold are prohibited from being sold. Although, parts can be sold and are still profitable.
